SCHOLARSHIPS

The following is a list of scholarships that are available through the UOG Endowment Foundation.

Students are encouraged to read the scholarship requirements carefully before applying to ensure their application is accurate and complete.

Students must fill out the application form linked below or email our offices for a copy at info@uogendowment.org, and submit it along with an **Official Copy of their transcripts** from the last institution they were enrolled in and any supplemental materials required by the scholarship guidelines, to the UOG Endowment Foundation offices by the application deadline. Submissions are accepted online via the link below, and any supplemental materials may be submitted via email at info@uogendowment.org. Students may also drop off hard copy applications at the UOG Endowment Foundation office by scheduling an appointment. Supplemental materials may include letters of recommendations, essay, or any other component listed in the description. Students are welcome to contact the UOG Endowment Foundation if they have any questions about scholarship eligibility requirements or application requirements.

SCHOLARSHIP APPLICATION FAQ'S

- Submissions will also be accepted via email by attaching the scholarship application form (available for download at the link below) to an email and submitting to info@uogendowment.org.
- For transcripts, you can submit a request online by going here: <https://www.uog.edu/admissions/request-a-transcript>. To encourage social distancing, and while many offices are closed, students should indicate in their request to have transcripts (both hard copy and an email version) sent directly to the UOG Endowment Foundation offices. We will send the applicant a confirmation email letting them know we have received their transcripts.
- Students who are applying to more than one scholarship need only submit one (1) official transcript, but must have a separate application form/other additional materials for EACH scholarship they are applying for.
- Students are encouraged to CC info@uogendowment.org in transcript request emails to admissions, to alert us that transcripts have been requested.
- If submitting supplemental materials via email, please indicate in body of email the student name and which scholarship(s) the materials are being submitted for.
- Some letters of recommendation writers may want to submit their letters directly to the UOG Endowment rather than through the student. They may do so by emailing their letter to info@uogendowment.org. Please have them indicate in the email header the name of the student and the name of the scholarship.
- To submit application materials in hard copy form, please mail to **303 UNIVERSITY DRIVE UOG STATION
MANGILAO, GUAM 96923-9000**
- Please note that due to a high volume of applications, we cannot send confirmation emails to every applicant upon receipt of application, however we **will** continue to notify students when we receive their transcripts.

For more information, please email us at info@uogendowment.org.
